

# TINCUP Partner in Adventure Recipients

A partner in adventure is there as you dream up your next ambitious pursuit. They encourage you to push beyond your comfort zone and motivate you to explore the world in ways that are meaningful to you. They galvanize you to take on new challenges, grow your skills, and imagine new adventures, by their side.

The American Alpine Club and TINCUP Whiskey are pleased to announce the winners of the 2020 TINCUP Partner in Adventure Grant. In total, \$20,000 was awarded to 20 partners in adventure.

Committee members included Diana Choi, Westry Whitaker, Julia Niles, Jeff Mekolites, and Lizzy VanPatten.
